

Dear All,

The **GST Council** has approved the standard of e-invoice in its 37th meeting held on 20th Sept 2019. The schema of E-invoicing has already been notified by the government and will be made mandatory from 1<sup>st</sup> April, 2020 for all the entities having an annual aggregate turnover of over INR 100 crores. The concept note for E-invoice has also been available on the public domain.

Similarly In the **31st GST Council Meet**, it was decided that a New Return System under GST would be introduced for taxpayers. The New GST Return System has been launched on a trial basis from July 2019, and the full-fledged system will be put into place from April 2020. The offline utility has also been released recently in the public domain. The above initiatives of the government would require the corporates to do major customization in their existing accounting system so as to enable proper filing of Invoices and returns which are the very basis of the entire GST System.

GST Experts is pleased to announce its next training on **E-Invoicing & New Return Scheme-Concept, Issues and Implementation Methodology**. The Training details are provided as under;
